Hi Douglas,

Rick has these comments on the agenda to share with NRC. Maybe this will remove a couple of small items from the list! Maybe 1½...

As long as I have reception, we could still try to talk tomorrow if that works better. I really just have a few thoughts that I've noted as comments on a marked-up copy of the document. If you would prefer, I could just send it to you, and you could discuss with Douglas tomorrow.

Hi Valois,

Would it be worthwhile to discuss our thoughts on this with Douglas before the call?

Darcy: we will review and draft revisions to our current briefing document to better inform Greg's conversation with OW/OGC leadership.

Lucita: please review and let us know if you decide to share this with Leslie D/Carrie W to inform today's briefing with their management (David F).

Subject: Draft Agenda and request for Skype/Teams to go over

Hello Douglas,

Please see our attached agenda for the high level meeting. We want to have a virtual meeting to go over so that we can finalize for the larger meeting. I copied Nadine who can assist with scheduling a Skype (NRC uses until September) or Teams (EPA uses).

Thanks
